

FASS Filter Cross Reference

With our Research and Development accompanied by 3rd party laboratory testing, we have found no other water separator and fuel filter combination that will work as effectively as the FASS brand fuel filter PF-3001 and Extreme Water Separator XWS- 3002. We offer cross references for emergency situations.

(FF-3003) (FF-3010) (XWS-3002) (XWS-3002XL) Water Separator (Micron Rating) Thread Size (1-14)		(FS-1001) (FS-1020) (PF-3001) (PF-3001XL) Fuel Filter (Micron Rating) Thread Size (1-14)		Fuel (FF1003 & XWS-1002) Fuel Filter (Micron Rating) Thread Size (1 1/2-16)
